P. I. 0013297

Notice is hereby given in compliance with Georgia Code 22-2-109 and 32-3-5 that the Georgia Department of Transportation has approved the Location and Design of this project.

The date of location and design approval is: June 5, 2020

The proposed project would provide operational improvements for the intersection of SR 3/US 41 and SR 156/Red Bud Road in the city of Calhoun. The project is located in Gordon County in Land Lot 169 of Land District 14.

The SR 156 westbound leg of the intersection will be reconfigured to provide a left-turn lane, one westbound and one eastbound through lane, and a right lane. The existing signal will be upgraded to accommodate the operational improvement.
